#### **Public Hearings**

1. Public hearing for an ordinance amending Ordinance No. 172, the Zoning Ordinance, Case No. 1205-PUD-22, Jones Duplexes.

Griffin Powell, Planner II, presented the case overview to rezone 1.88 acres from RS-1 (Single-Family Residential) to PUD (Planned Unit Development) for a beachfront residential development consisting of two duplexes and three single-family houses. This property is a vacant beachfront lot located at 26480 Perdido Beach Boulevard.

Councilmember Boyd voiced his concerns about 5' setbacks. Discussion followed including by-right scenarios, density reduction, the beach overlay district versus residential neighborhoods, and clarification that exterior setbacks are met along the perimeter of the property. Mayor and Council also discussed the unique nature of this project due to it being adjacent to the parking garage and buffer wall approved for Turquoise Place in 2022.

Forrest Daniell, project architect, explained that the structures are not individual residences on independent lots, but that they are all on one lot with a single owner. He also explained that the interior setbacks were reduced to create space for fire truck and trash truck turnaround.

Larry Wireman, developer of Turquoise Place, spoke in favor of the project.

There being no additional comments or opposition, the public hearing adjourned.

2. Public hearing for an ordinance amending Ordinance No. 172, the Zoning Ordinance, Case No. 0202-CU-23, JPEM Duplex.

Griffin Powell, Planner II, presented the case overview for a commercial development consisting of a 7,300-SF restaurant and 20,800-SF warehouse located at 25431 Canal Road in the General Business (GB) zoning district.

Councilmember Silvers asked if there would be outdoor seating or outdoor music. Griffin responded that there is approximately 500-SF of outdoor seating, but no outdoor music, which would require obtaining an Outdoor Music Venue Permit. Councilmember Silvers stated that he would not favor outdoor music due to anticipated complaints from residential neighbors.

There being no additional comments or opposition, the public hearing adjourned.
