Re: Phoenix Key – Case No. 0403-SP-22  
Request for Temporary Portable Structure (Sales Trailer)

Dear Griffin,

We are requesting permission to locate a temporary portable structure (Sales Trailer) on Lot 1 of the Phoenix Key project.

Attached is a Site Plan indicating the location, parking, and landscape area for the proposed sales trailer.

Also attached is a construction and development narrative submitted to Coastal Resources. In that narrative we have indicated that Lots 1-3 will be restored to beach mouse habitat if Phase II does not proceed within 12 months of completion of the Phase I tower. The Sales Trailer will be removed at that time, unless a request for an extension has been made and approved.

Do not hesitate to call or email if you have any questions or need any additional information.

Sincerely,

A handwritten signature in blue ink that reads "Forrest Daniell".
