STATEMENT OF WARRANTY

JANUARY 2023

Standard Welded Mobile, Eclipse® Powered System, and Wheelhouse® Modular Mobile System

LIFETIME LIMITED WARRANTY

Subject to the conditions stated below, Spacesaver Corporation ("Spacesaver") warrants that the mobile carriages ("structural frames") manufactured by it will be free from defects in materials and workmanship for the lifetime of the structural frames. For the purposes of this warranty, structural frames shall be deemed to exclude all moving parts, controls and guides that have immediate contact with any moving parts.

10-YEAR LIMITED WARRANTY

Spacesaver also warrants that all carriage drive motors on powered systems shall be free from defects in materials and factory workmanship for ten (10) years from the date of the customer's written acceptance of installation. During the 10-year warranty period, all motor parts are included at no cost for 10 years. After the first year, all labor will be charged at the then-current rate.

5-YEAR LIMITED WARRANTY

Spacesaver also warrants that all equipment other than structural frames and carriage drive motors on powered systems shall be free from defects in materials and factory workmanship for five (5) years from the date of the customer's written acceptance of installation. During the 5-year warranty period, all parts are included at no cost for 5 years. Labor is included at no cost during the first year of the 5-year warranty period. After the first year all labor will be charged at the then-current rate.

If any warranted equipment shall be proven to Spacesaver's satisfaction to be defective, such equipment shall be repaired or replaced at the option of Spacesaver. All warranty service for any equipment manufactured by Spacesaver must be performed by an authorized Spacesaver factory representative. This warranty shall be void if any portion of the purchase price shall be due but unpaid in accordance with the terms pursuant to which the equipment was sold. This warranty shall not apply to equipment repaired by any party other than an authorized Spacesaver factory representative or to defects or damage caused by (a) acts of God or other circumstances beyond Spacesaver's control, (b) improper installation (unless installation was by authorized factory installer), (c) improper electrical supply or environmental conditions, (d) improper operation, maintenance, or storage, or (e) other than normal use or service. **EXCEPT FOR THE EXPRESS WARRANTIES SET FORTH ABOVE, SPACESAVER MAKES NO WARRANTIES, IMPLIED OR OTHERWISE, AND SPACESAVER SPECIFICALLY DISCLAIMS ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.**

LIMITATION OF LIABILITY

Repair or replacement of any defective equipment, or refund of the purchase price paid by the customer in the event Spacesaver determines such equipment cannot be repaired or replaced, shall be the customer's exclusive remedy for breach of the warranty for product defects, however caused, and in no case shall Spacesaver be liable for incidental, consequential, special or other damages, or loss of profits or revenues whether as a result of breach of contract or warranty, Spacesaver's negligence, or otherwise. Spacesaver shall have no liability for any advice or assistance rendered by any party outside the scope of Spacesaver's written specifications for the manufacture, operation, or maintenance of the warranted equipment. Original installation must be performed by Spacesaver trained and certified installers.

WARRANTY/SUMMARY

This warranty applies exclusively to the original purchaser, and only to Spacesaver products acquired directly from Spacesaver Corporation or from Authorized Spacesaver Area Contractors, Distributors, and Dealers. This warranty gives you specific legal rights; you may also have other rights, which may vary from state to state.

The warranty does not apply to any product which has been subject to misuse, negligence, or accident; has been damaged in shipment, storage, or installation; has been misapplied, has been modified or repaired by unauthorized persons or has been repaired with non-standard Spacesaver replacement parts. It also does not apply to "Customer's Own Goods/Material" (i.e., goods/material specified by the customer that is not standard Spacesaver product offering) used in the manufacture of, or in conjunction with, Spacesaver products. Spacesaver does not warrant the matching of color, grain, or texture except to within commercially accepted standards. This warranty specifically excludes claims for indirect, incidental, or consequential damages arising in any way from a product defect. This warranty is exclusive, and exists in lieu of all other warranties, either expressed or implied. This warranty does not apply to products considered to be of consumable nature, such as batteries and lights. This warranty does not apply to tarnishing, oxidation, paint blemishes, and rust that could arise from products being stored or used in damp or humid environments.

To obtain warranty service, contact your Spacesaver Selling Dealer. You must make a written claim. Provide a copy of your purchase record and a written description of the warranty problem with your claim. If you are unable to contact your Dealer, contact Spacesaver Corporation: 920-563-6362.

A COMMITMENT TO QUALITY POWDER COAT PAINT FINISHES

Available in both smooth and textured finishes. Not all colors and finishes available across all product lines see notes below colors swatches and recommended finishes below. All components go through a multistage surface preparation prior to being coated; this process enhances topcoat bonding. The topcoat is a furniture-quality, epoxy-polyester hybrid Powder Coat Finish that meets or exceeds specifications set forth by the American Library Association.

Our electrostatically-applied, thermoset Powder Coat Paint System provides a durable hard finish with superior performance qualities.

- Excellent abrasion, impact, corrosion, stain, yellowing and chemical resistance.
- Exceptional adhesion with uniform film thickness and elimination of runs and sags associated with wet systems.
- A higher edge coating film thickness which virtually eliminates any sharp metal edges.
- Optional antimicrobial powder coat finish is available on all normally powder coated products. Antimicrobial powder coat contains a time-released germicide that is 99.9994% effective in controlling the growth of bacteria, mold, and mildew on the surface.

A COMMITMENT TO THE ENVIRONMENT

Our system is environmentally safe without any volatile or fugitive (stray) emissions in the finished product. Additionally, during the manufacturing process, we produce no volatile emissions or hazardous waste.

A COMMITMENT TO OUR CUSTOMERS

With the goal of bringing you the best local sales and service in the industry, our distribution network is composed of independently owned and operated distributors in major cities throughout North America. The Spacesaver Group's local sales consultants, factory-certified technicians, and expert support staff all work together to provide an excellent customer experience during the design process and long after the sale.

The engineers, project managers, and other professionals at our Wisconsin headquarters collaborate with our distribution partners every day to bring you new product innovations, efficient manufacturing processes, and superior customer support.

We live up to our commitments and have the references to prove it. You can rely on The Spacesaver Group
