

Hi there!

I've had the pleasure of meeting most of y'all through this summer's Sail Camp, Full Moon Paddles, or Women's Sailing Workshops. To those I've not met yet, I hope to do so soon! I've had nothing but fun since joining the Coastal Resources Department as the Coordinator for W&WLC this past March.

A bit of background: I grew up in Orange Beach playing in the back bay waters. Even as a kid I loved learning everything I could about our special coastal environment. I went on to study Biology at the Universities of Montevallo and Miami. I enjoy sailing, kayaking, yoga, reading, and art. I'm excited to take all of my experiences and passions and turn them into year-round programming for our little beach community!

If you have any questions about new programming, events, or rental opportunities at the W&WLC I would be happy to help.

Summer 2022 Recap

Youth Summer Sail Camps

We led 9 weeks of camp for ages 6 - 14 years old. We sailed with 166 campers this summer!

Full Moon Paddle Fundraisers

We raised \$3100 for the Baldwin Child Advocacy Center with our June, July, and Aug paddles! Thanks to all the caterers, musicians, and kayakers that came out to support this important cause

Women's Sailing Workshop Series

Our inaugural Women's Sailing group was a hit! We are proud of these ladies for sailing with us! There are 4 spots for October - hurry to enroll! These workshops fill up fast!

Tiny Tots Storytime

It was magical and fun hosting the Orange Beach Public Library for their first Fall Storytime by the Bay. Marina the Mermaid swam in from Wolf Bay to join! Be on the lookout for Pirates to show up for Storytime in the Spring!

Call or Email to see how you can host your own event at the W&WLC! Facility rental rates can be found on the W&WLC webpage.
