This permit becomes null and void if work or construction authorized is not commenced within six months or if construction or work is suspended or abandoned for a period of six months at a time after work is commenced.

The applicant hereby agrees that all work will comply with the applicable provisions of the 2017 National Electrical Code; all applicable state and local regulations; and in accordance with the approved plans. The applicant further attests that the information in the application is true and correct. All provisions of laws and ordinances governing this type of work shall be complied with whether specified herein or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating construction or the performance of construction.

This permit becomes null and void if work or construction authorized is not commenced within six months or if construction or work is suspended or abandoned for a period of six months at a time after work is commenced.

The applicant hereby agrees that all work will comply with the applicable provisions of the 2018 International Fuel Gas Code and the 2018 International Residential Code; all applicable state and local regulations; and in accordance with the approved plans. The applicant further attests that the information in the application is true and correct. All provisions of laws and ordinances governing this type of work shall be complied with whether specified herein or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating construction or the performance of construction.

Final inspections are required on all permits. To schedule an inspection, visit the Community Development Permit Portal at [www.OrangeBeachAL.gov/CDDportal](http://www.OrangeBeachAL.gov/CDDportal). In lieu of residential mechanical inspections, the qualifying agent may submit a notarized Mechanical Inspection Affidavit. The Mechanical Inspection Affidavit is available on the Permit Portal or at the following link: [www.CitizenServe.com/Documents/287/CDD-Form-InspectionAffidavitMechanical.pdf](http://www.CitizenServe.com/Documents/287/CDD-Form-InspectionAffidavitMechanical.pdf).

This permit becomes null and void if work or construction authorized is not commenced within six months or if construction or work is suspended or abandoned for a period of six months at a time after work is commenced. The applicant hereby agrees that all work will comply with the applicable provisions of the 2018 International Mechanical Code, the 2015 International Energy Conservation Code/Alabama Residential Energy Code, and the 2018 International Residential Code; all applicable state and local regulations; and in accordance with the approved plans. The applicant further attests that the information in the application is true and correct. All provisions of laws and ordinances governing this type of work shall be complied with whether specified herein or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating construction or the performance of construction.

Final inspections are required on all permits. To schedule an inspection, visit the Community Development Permit Portal at [www.OrangeBeachAL.gov/CDDportal](http://www.OrangeBeachAL.gov/CDDportal). In lieu of residential mechanical inspections, the qualifying agent may submit a notarized Mechanical Inspection Affidavit. The Mechanical Inspection Affidavit is available on the Permit Portal or at the following link: [www.CitizenServe.com/Documents/287/CDD-Form-InspectionAffidavitMechanical.pdf](http://www.CitizenServe.com/Documents/287/CDD-Form-InspectionAffidavitMechanical.pdf).

This permit becomes null and void if work or construction authorized is not commenced within six months or if construction or work is suspended or abandoned for a period of six months at a time after work is commenced. The applicant hereby agrees that all work will comply with the applicable provisions of the 2018 International Mechanical Code, the 2015 International Energy Conservation Code/Alabama Residential Energy Code, and the 2018 International Residential Code; all applicable state and local regulations; and in accordance with the approved plans. The applicant further attests that the information in the application is true and correct. All provisions of laws and ordinances governing this type of work shall be complied with whether specified herein or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating construction or the performance of construction.

Final inspections are required on all permits. To schedule an inspection, visit the Community Development Permit Portal at [www.OrangeBeachAL.gov/CDDportal](http://www.OrangeBeachAL.gov/CDDportal). In lieu of residential mechanical inspections, the qualifying agent may submit a notarized Mechanical Inspection Affidavit. The Mechanical Inspection Affidavit is available on the Permit Portal or at the following link: [www.CitizenServe.com/Documents/287/CDD-Form-InspectionAffidavitMechanical.pdf](http://www.CitizenServe.com/Documents/287/CDD-Form-InspectionAffidavitMechanical.pdf).

This permit becomes null and void if work or construction authorized is not commenced within six months or if construction or work is suspended or abandoned for a period of six months at a time after work is commenced. The applicant hereby agrees that all work will comply with the applicable provisions of the 2018 International Mechanical Code, the 2015 International Energy Conservation Code/Alabama Residential Energy Code, and the 2018 International Residential Code; all applicable state and local regulations; and in accordance with the approved plans. The applicant further attests that the information in the application is true and correct. All provisions of laws and ordinances governing this type of work shall be complied with whether specified herein or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating construction or the performance of construction.

This permit becomes null and void if work or construction authorized is not commenced within six months or if construction or work is suspended or abandoned for a period of six months at a time after work is commenced.

The applicant hereby agrees that all work will comply with the applicable provisions of the 2018 International Plumbing Code and the 2018 International Residential Code; all applicable state and local regulations; and in accordance with the approved plans. The applicant further attests that the information in the application is true and correct. All provisions of laws and ordinances governing this type of work shall be complied with whether specified herein or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating construction or the performance of construction.

This permit becomes null and void if work or construction authorized is not commenced within six months or if construction or work is suspended or abandoned for a period of six months at a time after work is commenced.

The applicant hereby agrees that all work will comply with the applicable provisions of the 2018 International Plumbing Code and the 2018 International Residential Code; all applicable state and local regulations; and in accordance with the approved plans. The applicant further attests that the information in the application is true and correct. All provisions of laws and ordinances governing this type of work shall be complied with whether specified herein or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating construction or the performance of construction.

The orange permit card must be posted on the jobsite until the final inspection has been approved. This card is available at the Community Development Office. Inspections are required on all permits. To schedule an inspection, visit the Community Development Permit Portal at [www.OrangeBeachAL.gov/CDDportal](http://www.OrangeBeachAL.gov/CDDportal).

Re-Roof Permits require a Re-Roof Nailing Pattern Inspection and a Re-Roof Final Inspection. Or in lieu of re-roof inspections, the qualifying agent may submit a notarized Re-Roof Inspection Affidavit. The Re-Roof Inspection Affidavit is available on the Permit Portal or at the following link: [www.CitizenServe.com/Documents/287/CDD-Form\\_InspectionAffidavitReRoof.pdf](http://www.CitizenServe.com/Documents/287/CDD-Form_InspectionAffidavitReRoof.pdf)

This permit becomes null and void if work or construction authorized is not commenced within six months or if construction or work is suspended or abandoned for a period of six months at a time after work is commenced. The applicant hereby agrees that all work will comply with the applicable provisions of laws and ordinances governing this type of work shall be complied with whether specified herein or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating construction or the performance of construction.

The orange permit card must be posted on the jobsite until the final inspection has been approved. This card is available at the Community Development Office. Inspections are required on all permits. To schedule an inspection, visit the Community Development Permit Portal at [www.OrangeBeachAL.gov/CDDportal](http://www.OrangeBeachAL.gov/CDDportal).

Re-Roof Permits require a Re-Roof Nailing Pattern Inspection and a Re-Roof Final Inspection. Or in lieu of re-roof inspections, the qualifying agent may submit a notarized Re-Roof Inspection Affidavit. The Re-Roof Inspection Affidavit is available on the Permit Portal or at the following link: [www.CitizenServe.com/Documents/287/CDD-Form\\_InspectionAffidavitReRoof.pdf](http://www.CitizenServe.com/Documents/287/CDD-Form_InspectionAffidavitReRoof.pdf)

This permit becomes null and void if work or construction authorized is not commenced within six months or if construction or work is suspended or abandoned for a period of six months at a time after work is commenced. The applicant hereby agrees that all work will comply with the applicable provisions of laws and ordinances governing this type of work shall be complied with whether specified herein or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating construction or the performance of construction.

**Work Description & Permit Notes:**

- Real Estate For Sale Sign (1 sign only)

- A sign permit shall be valid for a period of ninety (90) days from the date of its issuance as noted on the permit. Unless a thirty (30) day extension is granted for good cause shown by the Sign Administrator, failure to erect or complete the otherwise approved work related to the permitted sign within such ninety (90) day period shall result in the expiration of such permit.

- All provisions of laws and ordinances governing this type of work shall be complied with whether specified herein or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating construction or the performance of construction.

- **Final inspections are required on all permits. To schedule an inspection, visit the Community Development Department Permit Portal at [www.OrangeBeachAL.gov/CDDportal](http://www.OrangeBeachAL.gov/CDDportal).**
