Permit Issued by Sean Brumley, GIS Specialist

This permit becomes null and void if work or construction authorized is not commenced within six months or if construction or work is suspended or abandoned for a period of six months at a time after work is commenced. All provisions of laws and ordinances governing this type of work shall be complied with whether specified herein or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating construction or the performance of construction.

**Inspections are required on all permits. To schedule an inspection, visit the Community Development Department Permit Portal at [www.OrangeBeachAL.gov/CDDportal](http://www.OrangeBeachAL.gov/CDDportal).**

**Final inspections are required on all permits. To schedule an inspection, visit the Community Development Permit Portal at [www.OrangeBeachAL.gov/CDDportal](http://www.OrangeBeachAL.gov/CDDportal).**

This permit becomes null and void if work or construction authorized is not commenced within six months or if construction or work is suspended or abandoned for a period of six months at a time after work is commenced.

The applicant hereby agrees that all work will comply with the applicable provisions of the 2017 National Electrical Code; all applicable state and local regulations; and in accordance with the approved plans. The applicant further attests that the information in the application is true and correct. All provisions of laws and ordinances governing this type of work shall be complied with whether specified herein or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating construction or the performance of construction.

This permit becomes null and void if work or construction authorized is not commenced within six months or if construction or work is suspended or abandoned for a period of six months at a time after work is commenced.

The applicant hereby agrees that all work will comply with the applicable provisions of the 2017 National Electrical Code; all applicable state and local regulations; and in accordance with the approved plans. The applicant further attests that the information in the application is true and correct. All provisions of laws and ordinances governing this type of work shall be complied with whether specified herein or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating construction or the performance of construction.

This permit becomes null and void if work or construction authorized is not commenced within six months or if construction or work is suspended or abandoned for a period of six months at a time after work is commenced.  
The applicant hereby agrees that all work will comply with the applicable provisions of the 2018 International Fuel Gas Code and the 2018 International Residential Code; all applicable state and local regulations; and in accordance with the approved plans. The applicant further attests that the information in the application is true and correct. All provisions of laws and ordinances governing this type of work shall be complied with whether specified herein or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating construction or the performance of construction.

**Work Description & Permit Notes:**

Job Valuation: \$6,735.00 - Gas meter must be installed before tankless water heater can be installed. Bring gas line up exterior of home to attic from marked gas meter location. Coming through soffit with 3/4 galvanized pipe into the attic space. We will also install tees at meter for tankless water heater and future pool heater. In attic we will transition from galvanized pipe to copper running copper line across attic. Then bring copper line down wall at stove location and install valve box at stove location. Mount new Hansen supplied Navien 240 S2 with servicing valves and outdoor vent cover on exterior wall of home near gas meter location. Run new 120v outlet from panel roughly 10 ft away with gfci, outdoor box and weather proof outlet cover. We will drain and remove existing electric water heater from garage area. Tap into 3/4 water lines for water heater and stub to exterior of home. Bring gas and water to unit. Bleed air from system than plug unit in and test to make sure unit is in proper working order. We will be installing gas regulators at the tankless water heater and in the attic for stove. Gas line will need to be inspected with pressure test before gas can be turned on to home and will need to do a return trip to do final tie in for gas. We will install new gas stove if stove is on property at the time of final tie in after inspection passes.

This permit becomes null and void if work or construction authorized is not commenced within six months or if construction or work is suspended or abandoned for a period of six months at a time after work is commenced. The applicant hereby agrees that all work will comply with the applicable provisions of the 2018 International Fuel Gas Code and the 2018 International Residential Code; all applicable state and local regulations; and in accordance with the approved plans. The applicant further attests that the information in the application is true and correct. All provisions of laws and ordinances governing this type of work shall be complied with whether specified herein or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating construction or the performance of construction.

Final inspections are required on all permits. To schedule an inspection, visit the Community Development Permit Portal at [www.OrangeBeachAL.gov/CDDportal](http://www.OrangeBeachAL.gov/CDDportal). In lieu of residential mechanical inspections, the qualifying agent may submit a notarized Mechanical Inspection Affidavit. The Mechanical Inspection Affidavit is available on the Permit Portal or at the following link: [www.CitizenServe.com/Documents/287/CDD-Form-InspectionAffidavitMechanical.pdf](http://www.CitizenServe.com/Documents/287/CDD-Form-InspectionAffidavitMechanical.pdf).

This permit becomes null and void if work or construction authorized is not commenced within six months or if construction or work is suspended or abandoned for a period of six months at a time after work is commenced. The applicant hereby agrees that all work will comply with the applicable provisions of the 2018 International Mechanical Code, the 2015 International Energy Conservation Code/Alabama Residential Energy Code, and the 2018 International Residential Code; all applicable state and local regulations; and in accordance with the approved plans. The applicant further attests that the information in the application is true and correct. All provisions of laws and ordinances governing this type of work shall be complied with whether specified herein or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating construction or the performance of construction.

The Mechanical Inspection Affidavit is available on the Permit Portal or at the following link: [www.CitizenServe.com/Documents/287/CDD-Form-InspectionAffidavitMechanical.pdf](http://www.CitizenServe.com/Documents/287/CDD-Form-InspectionAffidavitMechanical.pdf).**

This permit becomes null and void if work or construction authorized is not commenced within six months or if construction or work is suspended or abandoned for a period of six months at a time after work is commenced. The applicant hereby agrees that all work will comply with the applicable provisions of the 2018 International Mechanical Code, the 2015 International Energy Conservation Code/Alabama Residential Energy Code, and the 2018 International Residential Code; all applicable state and local regulations; and in accordance with the approved plans. The applicant further attests that the information in the application is true and correct. All provisions of laws and ordinances governing this type of work shall be complied with whether specified herein or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating construction or the performance of construction.

Final inspections are required on all permits. To schedule an inspection, visit the Community Development Permit Portal at [www.OrangeBeachAL.gov/CDDportal](http://www.OrangeBeachAL.gov/CDDportal). In lieu of residential mechanical inspections, the qualifying agent may submit a notarized Mechanical Inspection Affidavit. The Mechanical Inspection Affidavit is available on the Permit Portal or at the following link: [www.CitizenServe.com/Documents/287/CDD-Form-InspectionAffidavitMechanical.pdf](http://www.CitizenServe.com/Documents/287/CDD-Form-InspectionAffidavitMechanical.pdf).

This permit becomes null and void if work or construction authorized is not commenced within six months or if construction or work is suspended or abandoned for a period of six months at a time after work is commenced. The applicant hereby agrees that all work will comply with the applicable provisions of the 2018 International Mechanical Code, the 2015 International Energy Conservation Code/Alabama Residential Energy Code, and the 2018 International Residential Code; all applicable state and local regulations; and in accordance with the approved plans. The applicant further attests that the information in the application is true and correct. All provisions of laws and ordinances governing this type of work shall be complied with whether specified herein or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating construction or the performance of construction.

Final inspections are required on all permits. To schedule an inspection, visit the Community Development Permit Portal at [www.OrangeBeachAL.gov/CDDportal](http://www.OrangeBeachAL.gov/CDDportal). In lieu of residential mechanical inspections, the qualifying agent may submit a notarized Mechanical Inspection Affidavit. The Mechanical Inspection Affidavit is available on the Permit Portal or at the following link: [www.CitizenServe.com/Documents/287/CDD-Form-InspectionAffidavitMechanical.pdf](http://www.CitizenServe.com/Documents/287/CDD-Form-InspectionAffidavitMechanical.pdf).

This permit becomes null and void if work or construction authorized is not commenced within six months or if construction or work is suspended or abandoned for a period of six months at a time after work is commenced. The applicant hereby agrees that all work will comply with the applicable provisions of the 2018 International Mechanical Code, the 2015 International Energy Conservation Code/Alabama Residential Energy Code, and the 2018 International Residential Code; all applicable state and local regulations; and in accordance with the approved plans. The applicant further attests that the information in the application is true and correct. All provisions of laws and ordinances governing this type of work shall be complied with whether specified herein or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating construction or the performance of construction.

The Mechanical Inspection Affidavit is available on the Permit Portal or at the following link: [www.CitizenServe.com/Documents/287/CDD-Form-InspectionAffidavitMechanical.pdf](http://www.CitizenServe.com/Documents/287/CDD-Form-InspectionAffidavitMechanical.pdf).

This permit becomes null and void if work or construction authorized is not commenced within six months or if construction or work is suspended or abandoned for a period of six months at a time after work is commenced. The applicant hereby agrees that all work will comply with the applicable provisions of the 2018 International Mechanical Code, the 2015 International Energy Conservation Code/Alabama Residential Energy Code, and the 2018 International Residential Code; all applicable state and local regulations; and in accordance with the approved plans. The applicant further attests that the information in the application is true and correct. All provisions of laws and ordinances governing this type of work shall be complied with whether specified herein or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating construction or the performance of construction.

**Work Description & Permit Notes:**

Job Valuation: \$2,563.00 - Install plumbing for bathroom/hand sink and 19gal electric water heater  
Customer has a building he is remodeling essentially into a tiny home/guest suite. This will be permitted and inspected work. All local and state codes shall apply.

The existing shower area will remain and the valve with shower riser will remain as well. Per John the customer, he is responsible for the shower drain, water proofing etc. Hansen will supply and install a 19 gallon 120v electric water heater with drain pan and expansion tank. We will install new type-A PEX water lines from the existing 3/4 PEX main line that comes in behind the shower, to a 19 gal water heater, toilet, lavatory, kitchen sink, and existing shower valve. We will also rough in a hose bib in the wall under the shower valve.

We will rough in a PVC drain arm from the kitchen sink area through existing holes in the studs to connect to an existing San tee. We will install a new San tee and drain arm for the lavatory through the studs and corner pack, to the new proposed location in between the shower and toilet. This will be a new install so we will need a carbide bit to drill through the studs and sheathing fasteners. We will tie in the existing vent pipe that penetrates the roof. Hansen Plumbing is not responsible for existing piping. Our work is warranted against defects in workmanship for one year

**Permit Fees:**

This permit becomes null and void if work or construction authorized is not commenced within six months or if construction or work is suspended or abandoned for a period of six months at a time after work is commenced.  
The applicant hereby agrees that all work will comply with the applicable provisions of the 2018 International Plumbing Code and the 2018 International Residential Code; all applicable state and local regulations; and in accordance with the approved plans. The applicant further attests that the information in the application is true and correct. All provisions of laws and ordinances governing this type of work shall be complied with whether specified herein or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating construction or the performance of construction.

This permit becomes null and void if work or construction authorized is not commenced within six months or if construction or work is suspended or abandoned for a period of six months at a time after work is commenced.  
The applicant hereby agrees that all work will comply with the applicable provisions of the 2018 International Plumbing Code and the 2018 International Residential Code; all applicable state and local regulations; and in accordance with the approved plans. The applicant further attests that the information in the application is true and correct. All provisions of laws and ordinances governing this type of work shall be complied with whether specified herein or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating construction or the performance of construction.

**Final inspections are required on all permits. To schedule an inspection, visit the Community Development Permit Portal at [www.OrangeBeachAL.gov/CDDportal](http://www.OrangeBeachAL.gov/CDDportal).**

This permit becomes null and void if work or construction authorized is not commenced within six months or if construction or work is suspended or abandoned for a period of six months at a time after work is commenced.  
The applicant hereby agrees that all work will comply with the applicable provisions of the 2018 International Plumbing Code and the 2018 International Residential Code; all applicable state and local regulations; and in accordance with the approved plans. The applicant further attests that the information in the application is true and correct. All provisions of laws and ordinances governing this type of work shall be complied with whether specified herein or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating construction or the performance of construction.

The orange permit card must be posted on the jobsite until the final inspection has been approved. This card is available at the Community Development Office. Inspections are required on all permits. To schedule an inspection, visit the Community Development Permit Portal at [www.OrangeBeachAL.gov/CDDportal](http://www.OrangeBeachAL.gov/CDDportal).

Re-Roof Permits require a Re-Roof Nailing Pattern Inspection and a Re-Roof Final Inspection. Or in lieu of re-roof inspections, the qualifying agent may submit a notarized Re-Roof Inspection Affidavit. The Re-Roof Inspection Affidavit is available on the Permit Portal or at the following link: [www.CitizenServe.com/Documents/287/CDD-Form\\_InspectionAffidavitReRoof.pdf](http://www.CitizenServe.com/Documents/287/CDD-Form_InspectionAffidavitReRoof.pdf)

This permit becomes null and void if work or construction authorized is not commenced within six months or if construction or work is suspended or abandoned for a period of six months at a time after work is commenced. The applicant hereby agrees that all work will comply with the applicable provisions of laws and ordinances governing this type of work shall be complied with whether specified herein or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating construction or the performance of construction.

Permit Issued by Suzy Williams, Permit Technician

This permit becomes null and void if work or construction authorized is not commenced within six months or if construction or work is suspended or abandoned for a period of six months at a time after work is commenced. All provisions of laws and ordinances governing this type of work shall be complied with whether specified herein or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating construction or the performance of construction.

**Inspections are required on all permits. To schedule an inspection, visit the Community Development Department Permit Portal at [www.OrangeBeachAL.gov/CDDportal](http://www.OrangeBeachAL.gov/CDDportal).**
