**Work Description & Permit Notes**

PERMIT EXTENSION GRANTED 06/27/2023.

Steps and landing on front of manufactured home. Uprights will be treated 4"x4" lumber suitable for ground contact. Steps will be 48" wide with a clear width 41 inches. Steep treads will be 2"x12" nominal treated lumber. Steps will incorporate three stringers of nominal 2" treated lumber with handrails on each side of the steps. Handrails will 34" to 38" above the nose of the treads. Neither steps or landings will be attached to the manufactured home. The landing will be 12' and 4.5' deep. The base of the steps will be stabilized with 16"x8"x4" concrete blocks. Steps and landing will be painted white to match MH trim. Landing joists will be of three 2"x6" treated lumber spaced equally along the longest dimension of the landing. The landing joists will be supported midway with uprights.

01/13/2023: the Rear Steps and Landing were removed from this application.

A Sign Permit shall be valid for a period of ninety (90) days from the date of its issuance as noted on the permit. Unless a thirty (30) day extension is granted for good cause shown by the Sign Administrator, failure to erect or complete the otherwise approved work related to the permitted sign within such ninety (90) day period shall result in the expiration of such permit.

All provisions of laws and ordinances governing this type of work shall be complied with whether specified herein or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating construction or the performance of construction.

A Sign Permit shall be valid for a period of ninety (90) days from the date of its issuance as noted on the permit. Unless a thirty (30) day extension is granted for good cause shown by the Sign Administrator, failure to erect or complete the otherwise approved work related to the permitted sign within such ninety (90) day period shall result in the expiration of such permit.

All provisions of laws and ordinances governing this type of work shall be complied with whether specified herein or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating construction or the performance of construction.
