Drone Operator

Christopher Harrison
(305) 204-3977

Flightplan Description

Approved Flight Date: 10/15/2024

Approved Flight Times: Sunrise and sunset, golden hour noonish

Majority of flights are completely, daily and from the coastline heading S. Some aerial footage is sold as art on website, most daily flights are for observation and research of marine wildlife. Extreme caution and alert is given to all birds and other protected species. I have ZERO interest in capturing a condominium, high rise, or any other unnatural additions to the coastal scenery.

Community Development Comments/Notes

Approved for October 16, 2024. Fly Safe!
