

Welcome to Orange Beach Waterfront Park

We hope you enjoy your visit. With that goal in mind, we ask you to be mindful of the following simple rules.

- Please dispose of all trash in an appropriate container. A large dumpster has been provided for your convenience.
- Alcoholic beverages are not allowed in the park.
- For the safety of all users, we do not allow 'toys' such as inflatable slides, moonwalks, etc. to be set up in the park.
- Please be mindful of your pets and pick up after them.
- Grills are allowed in the park. We ask that they be removed after use and that all flames and coals be extinguished.
- Tents that need to be staked down are not allowed due to water and electrical lines that are underground.
- Areas of the park such as the pier, Kids Park, etc. cannot be closed off to the public for events such as weddings, parties, etc. Use of the park is with the understanding that access will not be limited.
- We do not charge a rental fee for use of the park. Therefore, many overlapping functions can and do go on simultaneously. Power and water hookups are not available.

For large functions such as weddings, family reunions, etc. a calendar is kept at the Parks & Recreation office.

This is done in an effort to keep large overlapping functions from happening on the same day. Please call and let us know of your intended use.
